

Friday, *five minutes*

THE HUDDLE

1. **Read the new reviews** (the warm parts). Drop one star per five-star review, Google or Yelp, any family.
2. **Milestone hit?** Announce and schedule the treat.
3. **Optional:** a time gift (one of us covers a room for an hour), one room at a time.
4. **Hard review this week?** The need, one thing to try, no blame. Treat unchanged. Jarred replies to the family within 2 business days.

THE LADDER

- 8 Boba afternoon
- 10 Catered lunch
- 12 Early Friday, staggered

BEFORE ANY FAMILY SEND

- Only the two of us send links. Individually addressed, never BCC.
- Paragraph verbatim. Cohort by dates, never by mood.
- One ask per family per 12 months. Silence means leave them be.
- **Breaker:** 3+ new Google reviews in 7 days pauses asks for 14 days.
- Never Yelp. Respond there, never ask there.

IF YOU HEAR OR SEE ANY OF THESE, PAUSE THE ASKS

- "five stars" or "5-star" to a family
- "mention Ms. or Mr. ____"
- "it helps the teachers get lunch"
- "leave us a Yelp review"
- a batch of review links

Reply to every Google and Yelp review within 2 business days. Never reference licensing. Photos: real classrooms only.
